A big welcome back to school for all of our children. We hope that all of our families have had a wonderful Christmas break and the children have enjoyed their first few days back in school. We are very excited to get stuck into our multi-cultural topics across school this half term, with every year group's learning focusing on a different country. You will all shortly be receiving topic booklets with more details about your child's topic this term and we are also planning to create short films to share our learning with you at home and with each other in school. You may have seen the example film on Twitter that our staff made during our INSET day. We also have Stay and Learn sessions coming up for all of our year groups this term, as well as Y6 SATs and Y4 MTC information meetings for parents, so please keep an eye on the upcoming dates so that you don't miss out. Finally, I would like to say a big thank you for the warm welcome that I have received as the new Head Teacher of THPS. I am really thrilled to be starting this journey with you all. I feel very lucky to have the opportunity to lead the best school in Rotherham, and indeed The World, and to be working alongside such fantastic children, families, staff and governors. Happy New Year! Mrs Hewitt

We are very excited that we are now officially part of the New Collaborative Learning Trust (NCLT). NCLT was created in 2015 by governors and senior leaders of New College Pontefract, an outstanding sixth form college. Since then, the Trust has grown to include two 16-19 free schools in Bradford and Doncaster, and Wingfield Academy in Rotherham. As of January, it also now includes a primary branch, consisting of Thorpe Hesley Primary, Anston Greenlands and Redscope.
