Next week the menu is week two
The menu is on our web site.

We could not be more proud of our Year 6 children who have given their absolute all to their SATS this week. They have been so mature and calm throughout the week, taking the whole thing in their stride. Whatever the results, we are so proud of each and every one of you and we hope that you are proud of yourselves! What a bunch of stars!

Next week is the turn of the Year 2 children. The staff and children in Year 2 have been working their socks off to get ready for next week and we know that they will all be fabulous. As always, whatever happens next week, we are very proud of them all!

Attendance Rewards

We have recently introduced new rewards in school for good attendance. Each week, the class with the highest attendance in each building get a special treat. In the Juniors, the winning class get the climbing wall all to themselves during morning and afternoon breaktimes on the following Friday. In the Infants, the winning class get to look after 'Adam the Attendance Ant' for the week. We also ask that they share a photograph with us in the following week's star assembly of them with Adam. Keep a look out for these photographs on Twitter (@ThorpeHesleyPri).

Parking on the new estate

I have received an email this week from Jones Home, expressing displeasure at the inconsiderate parking of a few individuals on the new estate adjacent to the school drive at school drop-off and pick-up times. This includes individuals parking on grassed areas of the estate which has subsequently caused significant damage to these areas. They have asked that I remind parents that there is a designated parking area at the bottom of the estate which can be used for drop-off and pick-up times but is currently rarely used to its full capacity. They have also asked us to strongly advise parents and carers to park more responsibly and show consideration for other people's property. As the roads within the development are owned by Jones Homes, they may consider restricting access to the development infrastructure if these problems continue. It would be a real shame for this to happen and inconvenience the majority of our families who do park respectfully and responsibly.

They have also asked that we remind parents that the Play Equipment Area on the estate is not to be used as all necessary checks have not yet been completed and safety notices installed.

Many thanks.

This week you should have received on your personal email...Yr
