🌟 Thorpe's Sport Report 🌟

On Saturday 22nd October, our Year 5 & 6 football team played their first round game of the Rotherham United half time cup at the New York Stadium. The boys were all super excited to be playing on the pitch in front of the crowd and they certainly entertained everyone.

Here's a match report from one of the players.

🌟 We played our half time match against Redscope School and they started well and had good shots but we started playing well and managed to score 5 goals. Redscope then scored a really good goal and it finished 5-1. I am really glad we are through to the next round. It was fantastic! 🌟 Max, class 18

Quotes of the day

🌟 It was great playing on the Rotherham united pitch. It was such a good experience 🌟
Luca, class 19

🌟 It was amazing being on the pitch and scoring a hat-trick was incredible. Loved it! 🌟
William, class 16

Year 5 had an exciting morning on Thursday. The Space Dome came into school as an introduction to their new Science topic. Matt Kik was brilliant! He is incredibly knowledgeable and put the information to the children in a fast-paced, clear way. The children gazed in awe at the planets, stars and constellations decorating the inner surface of the dome and came up with some really inciteful questions to ask Matt at the end of the session.

Well done Year 5 children for being such lovely ambassadors for our school.

To launch **Anti-Bullying week** in school we are asking that all children come to school on **Monday 14th November** wearing odd socks and either **blue or yellow clothes**.

Throughout the week we will have lots of lovely activities planned to support Anti-Bullying week.

Thorpe Hesley Primary School Library is open every Tuesday and Thursday straight after school. It is located in the infant building, accessed from the main playground. There are books suitable for EVERYONE, no membership needed!

Just to note that tickets for our Christmas Raffle have gone home to day.
Please check your child's book bag and see if you can help us raise extra funds to buy resources for our Creative Curriculum. Although we receive a budget for school, there is never enough to fund all the extra things that make our Art Curriculum that little bit more exciting and fun! If you sell a few raffle tickets we will be able to afford more glitter!!

Dressing Up Clothes Bank/Swap Shop
One of our lovely parents would like to set up a clothing bank or swap shop for dressing up outfits and we think it is such a great idea!
As you know we love a dress up day and our parents are always very supportive but we do understand that costumes can often be expensive and are sometimes only worn a couple of times. The idea is for costumes to be donated in order for them to be reused rather than being thrown away. If you have any outfits that you would like to donate, please hand them into either office. Once we have received donations we will send out further info about how to request an outfit.
