The menu for next week is 1
The menu is on our web site.

It's been lovely to see lots of children out enjoying exploring our outdoor areas this week. Our Reception classes enjoyed reading stories in the woods, minibeast hunting and den building for their Explorer Day on Monday. Mrs Stenton also led our Year 3 and 4 children in some Outdoor Learning workshops on Tuesday.

Our School Council have been busy this week. They have planned their entry for the Rotherham Anti-Bullying Photograph competition, decided on a theme of 'People Who Inspire Us' for Children in Need on 17th November (this is your advanced warning to get planning an outfit for the day), planned some Christmas fundraising and have written a school poem for us to recite together at the end of assemblies (see below). Great work School Council!

We've also enjoyed welcoming parents into school this week for our Reception Reading Stay and Learns. We really hope that you have found these valuable.

As always, please remember to keep an eye on our Twitter account, @thorpehesleypri, to see what our children are getting up to.

As we learn at school today,
let us grow in every way.

We'll be safe and we'll be smart.
We'll keep kindness in our hearts.
We will trust, respect and share.
We will be brave, just and fair.

Together we will work and play.
Together we'll enjoy today.

This week you should have received on your personal email...

1 Minute Maths

We have some exciting news to share with you about a free new app that we believe would greatly benefit our THPS pupils in Y1-Y6.

The maths scheme we use in school have produced a superb fluency app which aids arithmetic for Primary pupils. 'One Minute Maths' is a free app, produced by White Rose Maths, and uses the same models and theories that we teach here at Thorpe Hesley. Covering a series of maths areas, the app gives children one minute to answer a series of differentiated questions.

It is highly addictive and we recommend you download it and let your children show you what they can do! We guarantee you will be impressed!

Let us know what you think.
Mrs Lilleker

Hi, I'm Cheryl an independent Usborne partner and I am looking forward to setting up my lovely Usborne book shop for parents evening next week.

I'll be at school from approximately 3pm and there will be a selection of books you will be able to take away with you or alternatively order for delivery back to school classes with payment taken via card, cash or bank transfer. If you're in a hurry there will be an express order form for you to leave with me

Please have a browse of my website and you could find a small parent's evening treat, some gifts to put away for Christmas or just some lovely new Usborne books
