

**Thorpe Hesley
Primary School**

Welcome to Thorpe Hesley Primary School

'Where Children Grow'

We would like to offer you a warm welcome as you consider our school to be part of the journey for your child. Here at Thorpe Hesley Primary School we take pride in the work we do with our families to support them as their child starts school life.

Our thriving Nursery offers part and full time places including an option to attend our morning and afterschool wrap around care.

Please have a look at our website and social media to get an insight into the creative work we do that helps to support life long learners. Please also visit our virtual tour of our Foundation Stage and see the outstanding provision and learning that we provide.

Over the year we host open evenings so that you can come and view our school and provision. If you would like further details on this then please contact the office to book in.

Please fill in this form if you would like to register your interest in our Nursery provision and we will contact you when your child becomes of age to start.

Please note that having a place in Nursery does not guarantee you a place at our school.

We look forward to hearing from you and welcoming your family into our school community.
