The dinner menu for next week is week 3

We are all unbelievably proud of our Year 6 children this week. They have worked so hard to prepare themselves for their SATS and have been calm, focused and fabulous all week! Whatever the outcomes, we know that they have given it their all and we are super proud of every single one of them.

It was lovely to see some parents in school this week for the Nursery Stay and Learn sessions. We hope you enjoyed these and found them useful. Our Year 5 and 6 footballers have also done us proud today, representing the school in a tournament at New York Stadium. They showed excellent teamwork and sportsmanship.

We are very excited about next week's Story Festival week in school where we will be focusing on all things Julia Donaldson! Don't forget to order your clue sheet for the Julia Donaldson Story Trail around the village during half term to continue the fun.

Wishing all of our families a lovely weekend,

Mrs Hewitt x

Thorpe Hesley Story Trail

Clue cards are now available via Arbor for our half term book character hunt. To add to the excitement, your clues will be via the WHAT3WORDS APP. Collect the letters, rearrange them and be in with a chance of winning a book voucher!

What a fabulous Stay and Play with our youngest acorn children in Nursery
PIC•COLLAGE

Colour Run

Don't forget to sign up to our Colour Run on 21st June. It is always a popular and fun event!

Our school library is open every Tuesday and Thursday, from 3.10pm.

Access to the library is via the infant building playground door.

There is a book for everyone, nursery to year 6, sometimes it is just so difficult to choose!

Contacting Teachers

We are very lucky at Thorpe Hesley Primary that we have outstanding teachers who go above and beyond for our children and families. Please can I ask that parents/carers are mindful that teaching is a very busy job and that our staff also have families and lives of their own outside of school. If you are emailing or contacting staff, please don't expect a response immediately or outside of school hours. Please also be mindful that the start of the school day is a busy time for teachers and they need to be ready to greet their class and start the day's learning. Therefore, if you need to have a longer conversation, please email or make an appointment for a mutually convenient time. If your child is in KS1 and you need to speak to someone urgently, please speak to the member of staff who is outside welcoming the children so that they can pass the message on. Please also be mindful of being polite and respectful when speaking to our staff, as the vast majority of our families always are. Thank you.

Half Term Challenge

See information below about an exciting creative challenge for you to take part in over half term...

Thorpe Hesley Primary School Eco Champions

present

Recycling Life: bringing our endangered animals back to life

We have a craft mania challenge for you this half term!

We would love you to create endangered animals out of recycled materials. Think bottle tops, old milk bottles, used cans or foil, plastic wrappers or empty soap bottles.

You could make an Axolotl (look them up – they are so cute!), a Kordofan Giraffe, a Tapanuli Orangutan, a Javan Rhino, an African Forest Elephant or perhaps a Hawksbill Turtle.

Please bring in your creation (model or picture) by Friday 7th June. Please bring them to Mrs Stenton's classroom or to your class teacher.

We (the Eco Champions) will judge the winners during the following two weeks and announce the winners in a Friday assembly.

A chocolate prize for the most creative in each building and 10 golden ticket prize for the most creative in each year group

The models and pictures will go on display around school and photographs will go on the website and on X.

Please make sure that your name and class is clearly displayed on your creation.

Have a fun half term!
