The dinner menu for the first week back is week 1

What a fabulous week to end our half term on with our whole school Story Festival! There has been a real buzz in school this week as children have been busy writing scripts, making scenery, props and costumes, learning songs and rehearsing for their Story Festival performances. All performances have been filmed today so watch this space. I can not wait to see the final films!

We have also had a camera crew in this week filming a range of outdoor activities that we have going on in school for the Rotherham Children’s Capital of Culture team. It is so lovely for all of the fantastic outdoor learning within school to be recognised and shared more widely and we can’t wait to see the video when it’s finished.

Thank you to everyone who completed our wrap-around care survey. We have taken on board your responses and comments and have submitted a funding bid to improve and expand our provision. We are very excited about our plans so are keeping everything crossed that our funding bid is successful!

Finally, I would like to wish all of our lovely families and fabulous half term.

Mrs Hewitt x

80th Anniversary of D-Day Commemorative Lunch

On Thursday 6th June, to mark the 80th Anniversary of D-Day, we will be serving a special commemorative lunch which we are hoping to enjoy outdoors, weather permitting. This will include the following options:

- Red Option: Fish and chips
 - Yellow Option: Quorn hot dog
 - Green Option: Jacket potato with a choice of fillings
- There will be no chilled choice option available on this day.

Desserts:

- Doughnuts
- Ice-Cream
- Jelly
- Biscuits

For Friday, the options will those that are normally available on the Thursday of Week 1, i.e. Roast Chicken and Yorkshire Pudding for Red Option and Cheese Plait for Yellow Option.

⚽ Thorpe's Super Sports Report ⚽

Last Friday, we were lucky enough to be invited to the RUFC Community Trust 'Play on the Pitch Tournament' at the New York Stadium. What a fantastic experience for our Y5/6 football team. They thoroughly enjoyed playing against so many Rotherham schools and loved the experiences of visiting the pressroom and players' changing rooms during the day. They played some fantastic football together and finished top of their group to qualify for the quarterfinals. Well done to our lovely team, you certainly did us proud!

Quotes of the day:

'It was one of the best days EVER!' Trey, Class 18.

'I loved it and it was amazing because I got to play on the pitch of my favourite team.'
Evie, Class 15.

Colour Run

Don't forget to sign up to our Colour Run on 21st June. It is always a popular and fun event!

Windsor Road Car Park

Just a reminder that the Windsor Road car park is strictly for staff parking only. There have been several occasions over the past few weeks where parents have swung in, or reversed out, narrowly missing children and staff members' cars. Our children's safety is paramount so we thank you for your cooperation.

Attendance

Congratulations to Class 5 and Class 14 who had the highest attendance this week. Adam the Attendance Ant is looking forward to a week with Class 5 and Class 14 can't wait to enjoy having the climbing wall and football pitch to themselves at breaktimes next Friday.

The World Record Chat – Whatsapp Group

We have been alerted to a large scale whatsapp group called 'The World Record Chat' which is adding young people to the group chat. This group has members who are posting explicit images, using indecent and inappropriate language and encouraging self-harm. They are also asking questions of children about their age and where they live. I have copied an online safety information sheet below as a reminder and have also included the link to the NSPCC website which offers useful information on how to talk to young people about online safety: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/talking-child-online-safety/>

Online Safety

The internet plays a crucial role in development of young people's identities and relationships and it can provide valuable opportunities.

It's important to remember the positives as well as looking at the risks.

What are the risks and opportunities

Key questions to help young people make safe choices online:

What might I see?

What am I sharing? Who can see it?

Who am I talking to? Do I know them?

Is what I see online real or fake?

Is something upsetting me online?

How can you help young people stay safe online?

Talk to young people - remember the positives

- Ask questions - if it's something you haven't heard of before ask them to show you how it works and what they enjoy about it
- Reassure them – show you are interested in their online lives
- Use the opportunity – to remind them about staying safe

Use practical ways - the best way to protect your child is to use multiple forms

- Internet Filtering – can done through your internet router or service provider
- Privacy Settings – you can set these in the individual apps under settings
- Parental controls – these typically control the websites that a child can visit or how long they can use devices for, usually found under device settings
- Location Settings – Built into operating systems on smartphones but are often a feature of popular apps.

Don't forget to take part in our half term challenge...

Thorpe Hesley Primary School Eco Champions

present

Recycling Life: bringing our endangered animals back to life

We have a craft mania challenge for you this half term!

We would love you to create endangered animals out of recycled materials. Think bottle tops, old milk bottles, used cans or foil, plastic wrappers or empty soap bottles.

You could make an Axolotl (look them up – they are so cute!), a Kordofan Giraffe, a Tapanuli Orangutan, a Javan Rhino, an African Forest Elephant or perhaps a Hawksbill Turtle.

Please bring in your creation (model or picture) by Friday 7th June. Please bring them to Mrs Stenton's classroom or to your class teacher.

We (the Eco Champions) will judge the winners during the following two weeks and announce the winners in a Friday assembly.

A chocolate prize for the most creative in each building and 10 golden ticket prize for the most creative in each year group

The models and pictures will go on display around school and photographs will go on the website and on X.

Please make sure that your name and class is clearly displayed on your creation.

Have a fun half term!
