The dinner menu for next week is week 2

What a busy first week back we have had! Our Year 3 children had a wonderful time at Clifton Park Museum on Wednesday and our Year 5's enjoyed a fascinating day out at the Thackray Medical Museum yesterday.

There has been an absolute buzz in school all day today for our Careers Day! We have had farmers, footballers, pilots, bakers, artists, police officers, authors, landscape gardeners, builders, chefs, fire officers, internal designers...the list goes on. We even had a visit from the Mayor! It has been so lovely hearing children talking about what they'd like to be when they are older and hearing how many have been inspired by our visitors today. Thank you so much to everyone who has given up your time today to support us with our careers event. We cannot thank you enough and so so grateful for your support and enthusiasm. The children have loved every minute!

A massive well done to all of our Year 4 children who completed their Multiplication Tables Check yesterday. The children have worked so hard for this and our in-school practices have shown that all of that time spent TT Rockstars has definitely paid off. Whatever the results, we are very proud of them all!

Fundraising for Dementia UK

One of our fabulous children will be walking 500,000 steps in July to raise money for Dementia UK which is a charity very close to her family's hearts. Dementia UK provides specialist support for people with dementia and their families, giving them the compassionate one-to-one support, expert guidance and practical solutions they need to face dementia with more confidence. She would be grateful for any support from our lovely families.
