The dinner menu for the next week is Week 3

In true Thorpe Hesley style, it's been another busy week with lots going on! Our Year 6 children have had a fabulous time on their residential in Scarborough. They've all enjoyed a theme park visit, games on the beach, fish and chips by the sea and a visit to the arcades. Their behaviour and attitudes have been exceptional and they have absolutely done us proud. A massive thank you to all of the staff who have given up their own time to make this such a special and memorable experience for our children.

We are also very proud of our Year 1 and 2 children who have completed their phonics screening this week. They have all worked so hard and given it their all. Our Year 4 children had a fabulous day out at Clifton Park Museum on Monday, enjoying a range of activities from dressing up to using hieroglyphics, acting as museum curators and piecing back together Ancient Egyptian artefacts. It has also been lovely to meet some of our new Nursery starters ready for September. We are excited to meet our new to Reception children on their visits next week.

I hope you all have a lovely weekend,

Mrs Hewitt x

Sarah Scott, the Chair of our school Advisory Group, will be completing the 10k Race for Life at Clumber Park in July to raise money for Cancer Research UK, a charity very close to her and her family's hearts. Please click the link below to read her story and to donate. Any support would be greatly appreciated.

A big thank you to our families who took part in the story trail hunt around the village. The hidden character was STICKMAN. A big congratulations to our winner whose card was drawn out in assembly to win the £20 book voucher!

We are looking for toys, books and household goods that could be donated for one of our Summer Festival stalls and sold for £1. We are also on the lookout for large beanbags for reading areas within school. If anyone happens to be having a clear out and has any of these items that need a new home, we would be very grateful. Please could donations be handed into the Junior Office or to Mrs Marsden or Mrs Stenton. Thank you very much for your continued support.

Mrs Marsden, Mrs Stenton and the Eco Champions 😊

## Attendance

Congratulations to Class 6 and Class 16 who had the highest attendance this week. Adam the Attendance Ant is looking forward to a week with Class 6 and Class 16 can't wait to enjoy having the climbing wall and football pitch to themselves at breaktimes next Friday.

## Recycling Life – winners announced!

Our gorgeous and committed Eco Champions have been busy judging our incredible entries to the half term art project, Recycling Life, where children were invited to make a picture or model of an endangered animal from recycled materials. It is clear we have some wonderful creative talent in school and it was a series of tough decision for this dedicated crew of environmentalists. Because they were so impressed with all the entries, everyone who entered is being given a golden ticket. The winners for the different categories are as follows:

Overall Key Stage One winner (winning a box of chocolates) is Ivy W.  
Overall Key Stage Two winner (also winning a box of chocolates) is Annabelle T.

The year group winners receive 10 golden tickets and are:

Year 1 – Daisy B from Class 5 (who worked with her older sister Annabelle)

Year 2 – Malayeka S from Class 8

Year 3 – Sam L from Class 11

Year 4 – Jack W from Class 13

Year 5 – Tia C from Class 16

A very big well done to everyone who took part and to all our winners.

The Eco Champions and Mrs Stenton

Please can we remind all of our parents and carers that we are strictly a no smoking and no vaping site. We have had several reports of parents vaping on the school yards whilst waiting to collect children. Please can we politely request that you refrain from vaping anywhere on the school grounds. Thank you.
