The menu for next week is Week 2

It's been lovely to welcome lots of our parents into school this week to have a taste of what their children have been learning. We've had Nursery, Year 1 and Year 2 Stay and Learn sessions with a maths focus and Reception writing Stay and Learns. We hope you have found these sessions valuable and enjoyable.

Year 5 had an amazing Congo day where they have learnt the African Rumba and Ndombolo with Mrs Morgan, tried the traditional dish Caakiri, identified the Francophone countries of Africa and done some table drumming to traditional African music.

Now the snow and ice have finally melted, it's been lovely to see children getting outside again. Our Eco Champions have done a great job of litter picking to make sure our outdoor areas are looking clean and tidy and our KS2 Woodpeckers club have been out tidying up our resources in the woodland.

Have a lovely weekend,
Mrs Hewitt x

Used Printer Cartridges

Not sure what to do with your used printer cartridges? Bring them in to school! Both buildings have collection points and each printer cartridge (of any kind) will earn cash for school.

Thank you!

Mrs Stenton and the Eco Champions

This week you should have received on your personal email...

Blooming Marvellous

Yorkshire Water are donating three very special planters to school during the coming months. Situated in the Nursery and Reception outdoor areas and on the Junior yard, our three lovely planters will be examples of innovative Sustainable Urban Drainage, or SUDS. They will take water directly from our downpipes to water the plants and, in the process, slow down the drainage of water into the sewers which will help during times of heavy rainfall and flooding. Here are some examples of the types of planters that are available (although not necessarily the exact ones that we will be donated). One of them will have an interactive educational instillation like the cascade shown here. Not only this but they will plant the containers up for us with some lovely flowers as well. Thank you Yorkshire Water!
