The menu for next week is Week 1

On Monday, we welcomed parents to our Year 5 Reading Workshop. Thank you to everyone who attended – we hope you found the session helpful and picked up some useful ideas for supporting reading at home. Our Nest team have also been out and about conducting home visits. They thoroughly enjoyed meeting our new starters who will be joining us in January, and we are looking forward to welcoming these children into school soon.

We held an information meeting for parents about the Year 4 Multiplication Tables Check. We hope those who came along found the session useful and feel confident about supporting their children with this important milestone. Finally, our Nursery team hosted welcome meetings for parents of our new starters. It was lovely to meet you all and share what to expect as your child begins their learning journey with us.

Thank you to everyone who took part in these events – your support makes a real difference!
